Instructions to help secure a ROTR Boarding Group

① Your entire party should be connected to your "My Family & Friends List" on My Disney Experience.

Practicing from home is helpful. All tickets should be linked, and park passes reserved.

② Arrive early (1 hr.) to Hollywood Studios and find a suitable location inside the park.

③ Turning off your phone's Wi-Fi and using cellular data may be a benefit if the park Wi-Fi is overloaded.

④ A few minutes prior to 10am (or 2pm), log out of the Disney World app and sign back in. Go to the home page.

(Additional members of your party may also try for a BG, log into the same account or a linked MDE account)

⑤ Count down the seconds to 10:00 AM. *(A separate person should do this on phone/world clock)*

⑥ At 10:00:01 tap anywhere on the image: "Star Wars: Rise of the Resistance – Request Access with Virtual Queue".

⑦ When the next page loads, quickly tap the blue "Join" button. *(this is the "Attractions: ROTR" page)*

⑧ When the next page loads, quickly tap the large blue "Join" button near the bottom. *(this is the "Your Party" page)*

⑨ The Boarding Group confirmation page will now display.
